Basic Guide To Repair Lcd

There are some connections for the earpiece speaker that can be a little tricky to get properly connected during reassembly. If you look at the third photo in step 22 of the iPhone 7 Plus teardown you can see four copper pads on the cable, and four protruding copper connections on the speaker. For starters, make sure that these are all clean.

iPhone 7 Plus Screen Replacement - iFixit Repair Guide

Samsung G3 Series 3.5 Inch USB-Sata Adapter Repair. Recently my busy computer user friend Marco asked me to check upon his no longer working Samsung G3 series 3.5 inch USB to Sata adapter board.
