(PDF) Becoming Imperial Citizens, Indians in the Late ...

From the Publisher: "Becoming Imperial Citizens is a virtuoso performance. It is written with verve, confidence, and elegance, and it is based on immense scholarship. Sukanya Banerjee's exploration of an elite native Indian politics that preceded the anticolonial nationalist movement shows how citizenship can be (and has been) located outside the frame of the (free) nation.

Sukanya Banerjee'sBecoming Imperial Citizens: Indians in the Late-Victorian Empire (2010) illustrates how the promise of imperial citizenry for the Indian was always an unrealizable dream: the prospect of gaining equal status as citizens of the empire was always deferred, as the colonized were found inadequate for that purpose.

"Sukanya Banerjee - Becoming Imperial Citizens: Indians in ...

Indians were always "becoming," never "being," imperial citizens. Because the discourse of liberal citizenship operates through universalizing abstractions, absorbing and erasing "material realities and historical particularities" (12), efforts to restore these lost particularities through narrative occupy an important if somewhat ambivalent position in Banerjee's account.

Praise "Becoming Imperial Citizens is a great resource for anybody studying the British Colonial Regime's legal, social, or political history. The struggle for equal status in daily living is not specific to India, but experienced by all former British colonies. When taking action against the government, it took inspirational actions to gradually tear down racial, class, and gender ...
