Rebekah is the second matriarch in Genesis and shares two problems with Sarah, the first matriarch: barrenness, and being passed off as her husband's sister. But her story is more extensive; she is a dynamic character in a long narrative describing how she becomes Isaac's wife. Her agency continues when she bears twins and secures the birthright for her favored son.

Rebekah: Bible | Jewish Women's Archive

Sepia toning is a specialized treatment to give a black-and-white photographic print a warmer tone and to enhance its archival qualities. The metallic silver in the print is converted to a sulfide compound, which is much more resistant to the effects of environmental pollutants such as atmospheric sulfur compounds. Silver sulfide is at least 50% more stable than silver.
