HYDROVANE

Hydrovane compressors are very easy to maintain, delivering quick, cost effective compressor servicing and as little downtime as possible. The “Super Soft” start on the HV18 range, combined with its low operating speed motor, extends the life of many internal compressor parts, meaning longer service intervals compared to some rival compressors.

HV18 Air Compressor Range | Hydrovane | Direct Air

The compressor warranty will be invalidated if unapproved spare parts or oils are used. Using such items may cause the efficiency and service life of the compressor to be reduced, and could create a hazardous condition over which Hydrovane has no control. Failure to maintain the compressor correctly, or modifying it
