This is a beautiful album. Unfortunately, I believe that it and other one or two volume worldwide stamp albums are a waste of money and time. The main reason is that there have been so many postage stamps issued by the various countries since postage stamps were first issued in the 1800s that an album can only show a limited number of the pictures of stamps for each country.

Luxembourg; The first stamp issue of the Grand Duchy of Luxembourg appeared in 1852. It bore the portrait of Grand Duke William III. This same William is found on many stamps of the Netherlands, because the duke was also king of that country. France had exerted much influence on Luxembourg in the past.
