The Fairest of Them All is a fairytale retelling that combines two well-known and often-told stories - that of Rapunzel and that of Snow White - and asks, "what if Rapunzel was Snow White's Evil Stepmother?" It's an intriguing idea and one that lends originality to such famous stories, but one that sadly lacks subtlety and pathos.

My biggest problem with The Fairest of Them All is that it's a sad story more than a romance. Gavin has lost his first bride to his youngest brother and now faces losing another to his twin. The portions of the book written from Gavin's point of view were the most attractive to me, I felt like he really could love Charlene and her disregard for him made for an unappealing story.
