### The Social Roots Of Risk

"The Social Roots of Risk is a brilliant synthetic work on risk and disaster. It is a masterful accomplishment that will appeal to expert and lay audiences. I hope policy makers read it, and take its messages to heart, because our world can be safer and fairer, as a result.

### The Social Roots of Risk: Producing Disasters, Promoting ...

The Social Roots of Risk argues against the widespread notion that cataclysmic occurrences are singular events, driven by forces beyond our control. Instead, Kathleen Tierney contends that disasters of all types—be they natural, technological, or economic—are rooted in common social and institutional sources.

### The Social Roots of Risk: Producing Disasters, Promoting ...

The Social Roots of Risk argues against the widespread notion that Earthquakes in Haiti and Sumatra underscored the serious economic consequences that catastrophic events can have on developing countries, while 9/11 and Hurricane Katrina showed that first world nations remain vulnerable.

### The Social Roots of Risk by Tierney, Kathleen (ebook)

Rather than acts of God or random acts of nature, The Social Roots of Risk argues that hazards, disasters, and crises of all sorts are produced by the social order itself-that the routine activities of institutions, organizations, and groups invite risk into our lives and put us in harms way.
