Humam al-Balawi was a soft spoken Jordanian doctor who, after being targeted by the Mukhabarat, turned into a triple agent working for them, the CIA, but most genuinely Al Qaeda. In 2009 he met his CIA handlers while wearing a suicide vest and detonated it, killing 8 CIA agents as well as a member of the Jordanian royal family.

Excellent account by a Pulitzer prize winning reporter of how the CIA was betrayed by one of Al-Qaeda's recruits.

This awesome reporting details how the CIA's over-eagerness to weed out Al-Qaeda's top leadership led to deadly results.

**Humam Khalil Abu-  
Mulal al-Balawi -  
Wikipedia**

A triple agent is a spy who pretends to be a double agent for one side, while they are truthfully a double agent for the other side. Unlike a re-doubled agent, who changes allegiance due to being compromised, a triple agent is usually considered to have always been loyal to their original side.

## **Double agent - Wikipedia**

Warrick's work chronicles the blunders and missteps of the CIA that led to the death of several agents by a suicide bomber 'triple agent.' As they say, this tale is stranger than fiction. Warwick writes well, but with too much emphasis on the journalistic 'scoop' appeal of some of this information.
