There's a heavy bias towards English-language works and translations, but the same is true of all the ebook download sites we've looked at here.

The Visual Culture Reader

"The Visual Culture Reader" is a good introduction to some of the issues touched on visual and cultural studies, highlighting the most common areas of scholar work developed in the last decades, which is part of the framing of visual culture as a body of study. The volume is an updated second edition from 2002 after an original edition from 98.
