Churchill: An Intimate Portrait. Write a review. Apr 07, 2013  
Erin Gough rated it liked it. This biography stands out as a more personal sort of memoir, special in the fact that the author, Lady Carter, was a close personal friend of Churchill for much of his life.

photography, but the perspective on his adoration for his mother, and devotion to his wife. While this is a book first and foremost about the celebrated and enduringly intriguing Churchill -- the statesman and international leader -- it is also, in his own words, a portrait of Churchill, the husband, and son.
